## WHO WE ARE

The translation of Sukha is happiness, pleasure, ease, or bliss, in Sanskrit. That is what you will experience at SukhaLife Yoga Studio, from the cozy lounge with a kombucha bar to the spacious practice space. We also know that it's possible to have fun, laugh and feel inspired through the practice of yoga. We promote skillful alignment, creative sequencing and mindful breathing. Our teachers are professional yoga instructors who are enthusiastic about sharing yoga's power to connect, transform and elevate your life during each class.
